Honorable Bennie Thompson.

As an elected official in Leflore County, I witness firsthand the destruction during natural disasters in our small communities. I see the despair on the faces of the homeless each time I walk through the city. This project would be a panacea for the homeless. It would lessen the despair and provide safe housing until permanent housing could be located and secured.

If at all possible, please consider funding this project with Central Mississippi, Inc. (CMI). CMI has made a major impact in this community by assisting with our vulnerable population. This project would only enhance their efforts. Thank you in advance for any consideration given.

Sincerely,

Reginald Moore, Supervisor  
Leflore County

Honorable Bennie Thompson,

Please accept this letter as support for a homeless disaster/relief shelter Attala, Carroll, Grenada, Holmes, Leflore, Montgomery and Yalobusha counties. This shelter is much needed in these counties. CMI has done an outstanding job in attempting to address the homeless situation and this project will provide the much needed assistance for the agency to continue to address homelessness and assist the disenfranchised population.

If you need any further information, please advise. We are asking for your assistance and support.

Respectfully submitted,

Honorable Bennie Thompson,

As the Pastor and longtime community leader/advocate of Attala County, Mississippi, I witness firsthand the destruction during natural disasters in our small communities. We at the church attempt to assist as much as we can but the despair is insurmountable. I see the hopelessness on the faces of the homeless each time I walk through the city. This project would be a panacea for the homeless. It would lessen the despair and provide safe housing until permanent housing could be located and secured.

If at all possible, please consider funding this project with Central Mississippi, Inc. (CMI). As a past member on the Board of Directors for CMI, I can personally attest that the agency has made a major impact in this community by assisting our vulnerable population. Your support over the years has been magnanimous and we appreciate it. This project would only enhance their efforts. Thank you in advance for any consideration given.

Sincerely,

A handwritten signature in blue ink that reads "Michael Williams".

Honorable Bennie Thompson,

Carroll County is in desperate need of a shelter to house during disasters and the homeless population in general. As a supervisor, I witness the devastation a disaster brings to small, rural counties. This shelter would provide a safe haven for those individuals and coupled with the workforce development initiative by Central Mississippi, Inc., this would be a way to provide sustainability to many communities. We, the citizens of Carroll County, Mississippi wholeheartedly support this project with CMI.

We would appreciate your support with the project and thank you for all you do for your district and beyond. We really appreciate you!!!

Humbly submitted,

Claude Fluker, Supervisor  
Carroll County  
2<sup>nd</sup> Congressional District  
State of Mississippi
