The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Itta Bena Water System Upgrades and Improvements Project in Fiscal Year 2027. The entity to receive funding for this project is the Leflore County Board of Supervisors, located at 306 W Market Street, Greenwood, Mississippi 38930.

The funding would be used to upgrade water infrastructure, including replacement of aging water lines and improvements to treatment and distribution systems. The project is an appropriate use of taxpayer funds because it ensures safe drinking water, protects public health, and improves infrastructure reliability.

The project has a federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Bennie G. Thompson
Member of Congress
