The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Greenville for the Youth Empowerment and Community Revitalization Hub in Fiscal Year 2027. The entity to receive funding is the City of Greenville, located at 340 Main St, Greenville, MS 38701.

The funding would be used for the rehabilitation of existing structures and site improvements to establish a functional space for youth programming and community engagement. The project is an appropriate use of taxpayer funds because it addresses a compelling local need for safe, structured environments for youth and families in the Mississippi Delta. By repurposing underutilized property into a modern community asset, the project provides a constructive space for mentorship and learning, fostering both public safety and regional stability .

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bennie G. Thompson  
Member of Congress
