Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the New City of Grenada City Hall/Municipal Building Project in fiscal year 2026. The entity to receive funding for this project is the city of Grenada, Mississippi, located at 108 S Main St, Grenada, MS 38901. The funding will be used to support the construction or renovation of a new municipal building to replace the current City Hall. The funding is an appropriate use of taxpayer funds because it will improve the delivery of essential public services, ensure compliance with safety and accessibility standards, and support the city's long-term administrative and civic needs.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Bennie G. Thompson
Member of Congress
