Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Bolton Community Resource Center project in fiscal year 2025. The entity to receive funding for this project is the Hinds County Board of Supervisors located at 316 S. President Street, MS 39201. The funding will assist with essential services for community members. This project is an appropriate use of taxpayer funds because it will improve the physical infrastructure but also enhance the quality and accessibility of vital services. This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a). I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Bennie G. Thompson
Member of Congress
