

The Trump Administration's Policies seek to **close** Job Corps Centers

The U.S. Department of Labor wants to **close** Job Corps centers across the country, including locations in Batesville and Crystal Springs, Mississippi. The **closing** of these centers would impact young adults in Mississippi's Second Congressional District.

I co-signed a letter addressed to the U.S. Department of Labor Secretary to keep the Job Corps Program open.

Job Corps Provides:

**Job Training,
Certificates, and
Placements**

**A Supportive
Community**
